

Campus

The Siddha Ganesha Foundation has earmarked 6 acres of land for the 'Educational Campus' in Dharwad. This land lies in the heart of the city and is within walking distance of the Bus Station and a short bus ride to the Railway station. It is also a 15 km drive to the Airport. Of the six acres, two acres has been transferred to the Municipal Corporation. The Dharwad Deputy Commissioner and Hubli Dharwad Municipal Corporation Commissioner as per the request of the Foundation have recommended the construction of a state of art floodlight stadium and sporting centre, to the Government of India and the same is in the pipeline. Of the remaining four acres land construction has commenced in right earnest on one acre. All statutory sanctions and clearances have been duly obtained. For this purpose the State Bank of India has agreed to financially support the project and has commenced funding. Also, the remaining three acres of land is being primed for expansion of the educational campus.

The educational campus will first have a Karnataka State recognized English Medium school. Siddha Ganesha Education Society is already running an English Medium School.

Further expansion provisions for professional colleges, teaching various disciplines, both technical and non-technical and any other branch of learning, which the proposed Foundation ultimately decides and deems fit in the future, is available.
